PROFILE Starcut Software build, engage, and monetize mobile audiences (apps or sites). We work with media and brands in Europe and the US. We are based in Helsinki

What we offer:

We create mobile sites and apps for media and brands, and help our customers to engage and monetize their audience.

What we are looking for:

We are looking for partners to grow our offering or to establish our footprint in new geographies

Target industries:

- ICT - Information and communication technology
- Telecom
- Mobile
- Retail and wholesale trade
- Healthcare and medical
- Travel and tourism
- Media and entertainment

Who are we interested to meet with:

Media companies and brands
