

INTERNATIONAL NETWORKING EVENT

HEALTH & WELLBEING SECTOR

AT LAVAL VIRTUAL INTERNATIONAL CONFERENCE ON VIRTUAL REALITY & CONVERGING TECHNOLOGIES

MARCH 27 TO 30, 2012

You are a company working in the health & wellbeing sector and wish to discover innovative applications in Virtual Reality (VR), Augmented Reality (AR) and 3D Technologies applied to your field?

This event is made for you as you will discover: VR, AR and 3D for phobias and disease treatment, training, physical therapy, handicap, diagnosis facilitation, human wellbeing...

Laval Virtual, Laval Mayenne Technopole and Enterprise Europe Network invite you to visit the **LAVAL VIRTUAL EXHIBITION** and to attend **2 NETWORKING ACTIONS**:

- ☆ **LAVAL VIRTUAL EXHIBITION** from **March 28 to 30**: n° 1 European meeting-place for Virtual and Augmented Reality, Real-Time 3D and interactive techniques with 85 companies exhibiting and 4,300 professional visitors.
 - **CLARTE**: Virtual Reality platform visit
 - **VR Mix**: Virtual Reality Conference on Enhancing Human Wellbeing via Emerging Technologies (extra fee)
- ☆ **INTERNATIONAL NETWORKING CRUISE DINNER** on **March 27** from 8 PM on the Vallis Guidonis Boat with companies, research labs and universities.
- ☆ **INTERNATIONAL NETWORKING DAY** on **March 28** at the Laval Virtual Exhibition to stimulate and generate partnerships (technological, business, research) between foreign and local participants.

Before D-Day, you will be provided with the list of participants and will be able to identify the professionals you have to meet and exchange with around Virtual Reality, Augmented Reality and 3D applied to Health and Wellbeing.

Attendees of the networking: local members of the Laval Virtual Reality Capital (24 structures and 200 experts and professionals), European Clusters, companies, universities and labs.

Take the chance to discover new technologies and create new contacts!

☆ **Useful information :**

- **Price:** Free of cost for the Exhibition (online registration only - 20€ on site) and Networking Events 70€ for the VR Mix with the code **INDVRMix12** while proceeding your online registration
