

Enterprise Europe Network is the largest business support network in Europe. Thanks to its 500 contact points in 40 countries including the European Union, it provides practical answers to specific questions in the language of SMEs.

Our mission is to help SMEs develop their innovation potential and access new markets.

Instruments include business partner search as well as advice regarding the European Union legislation and European financing programs.

Locally, **Enterprise Europe Ouest** is composed of the Brittany and the Pays de la Loire Regional Chambers of Commerce as well as Oséo Innovation and Bretagne Innovation.
