

MEET THE BIOMASS TO BIOENERGY SECTOR

- EASY, EFFICIENT AND FREE OF CHARGE!

Matchmaking Event and Guided Tours at Agromek, Herning, Denmark

The matchmaking event AgroMatch and the guided tours to Danish bioenergy showcases will take place in connection with Northern Europe's largest agricultural fair, Agromek, in Herning, Denmark, 30 November to 3 December 2010.

In addition to visiting and meeting exhibitors and representatives from relevant companies, research institutes and organisations at Agromek, participation in the matchmaking event and the guided tours gives you exclusive access to:

- pre-booked, informal meetings with key decision makers who want to meet you in one location at a specific time
- a complementary channel for marketing to establish new personal contacts to boost your business
- an overview of international visitors
- international networking

Participation in both the AgroMatch matchmaking event and the guided tours is free of charge.

AgroMatch

AgroMatch is an international matchmaking event for companies and organisations within the biomass to bioenergy sectors, giving more than 150 participants from all over Europe the opportunity to get into new markets and to find new technologies and methods in a fast and cost-effective way. Have up to 20 pre-booked meetings in only 2 days (1-2 December)!

Guided Tours

The guided tours are an opportunity for international visitors to be introduced to Danish bioenergy showcases. Guided tours are offered all 4 days.

Programme

AgroMatch takes place on Wednesday 1 and Thursday 2 December 2010 between 10:00-17:00. Registration for AgroMatch starts at 09:00.

The guided tours will run from Tuesday 30 November to Friday 3 December 2010 - all four days at both 10:00 and 14:00.

Registration & Participation

Go to www.bioenergy-match.eu for online registration no later than 17 November 2010.

Participation is free of charge.

Location

MCH Messecenter Herning
Vardevej 1
7400 Herning
Denmark

Meeting point: the Enterprise Europe Network exhibition stand 3318 in hall D.
